Please read ALL these instructions carefully!

TO BE ELIGIBLE:

1. You must be currently enrolled in the Charity School of Nursing RN program (not in pre-nursing).

You don't have to do the application in one sitting. You can save your work and resume later.

Interview Days will be Wednesday, May 21 through Friday, May 23, 2025.
Schedule your interview online at:
calendly.com/chsnaalumni-scholarship-interviews
Select **May 2025 Scholarship Interviews**, click on the date of your choice, and then choose the time that you want. Slots are 30 minutes. Please sign up **no later than May 15**. You can reschedule later if necessary.

Scholarships will be awarded in the **Fall 2025 semester**, at the Promotion and Honors Ceremony (held approximately one month into the semester). All applicants will be emailed by the Alumni Office regarding the results, and the date of the Ceremony. If the Ceremony is not held, or you are unable to attend, awards will be mailed to the recipients.

Application Essay information:

We want to know who you are! Please include ANY information that you think would be helpful to the committee in deciding whether to give you a scholarship. The following questions are only meant to help you get started. You do NOT need to answer them specifically. More information is better! This is your opportunity to tell us who you are and what inspires you.

Think about: *Are you involved in any school activities or organizations? Have you held any offices, been involved in special projects or activities on campus? Are you involved in community activities, particularly any related to healthcare? Any military service? Have you been cited by the Honors Committee of the Faculty Association? Have you received any clinical excellence awards, honors or citations at school or in the community?*

Think about: *What are your goals? Do you plan to continue your education?*

Think about: *Why would receiving a scholarship be important to you? Everyone could use an extra \$500, but the award decisions are NOT based on financial need. Is there an educational or profession-building opportunity a scholarship would allow you?*

Think about: *Is there any information that you would like us to know? Are there any special challenges you have faced as a nursing student? What did you do before nursing school? What experiences shaped your life? Why did you decide to be a nurse? What path brought you to where you are today? Where do you want to go in the future?*

CHARITY HOSPITAL SCHOOL OF NURSING ALUMNI ASSOCIATION SCHOLARSHIPS

Instructor Recommendation Information

Please submit your recommendations by Monday, May 19, 2025 to: chsnaaoffice@gmail.com

Name of Student _____

Dear Faculty Member,

The Charity Hospital School of Nursing Alumni Association (CHSNAA) offers scholarships each semester to students at Charity School of Nursing. Students applying for the scholarships are required to ask instructors to submit recommendations.

We know it's not fun to have to do this, but please recognize that this is not a formality for us. Your input and opinion are very important. Your letters are reviewed carefully and weigh heavily in our decision-making. In fact, your recommendations are probably the single most important part of the student's application.

That being said, you do NOT need to write a long, formal letter in business format. Skip the boilerplate. When it's "cut & paste," we can't help but interpret that as a tepid endorsement.

What we want is a personalized and honest response: Do you consider this individual to be an outstanding student nurse, or are they basically average? Will you be proud to see this student graduate and join the nursing profession? Please tell us why. Short and meaningful is so much better than a lengthy recitation of things like "this student is punctual."

These awards are based on merit, so please do not base your recommendation primarily on financial need. We are looking for leadership, involvement, enthusiasm, clinical excellence, teamwork, dealing with personal or professional challenges. We are looking for the student who stands out.

Please specify whether the student was in your clinical group, or that you know them in another context (lecture class, extra-curricular activities, etc.).

If you have reservations about recommending this student, please tell us so. The instructor recommendations are completely confidential and are never shared with students or anyone other than the members of the CHSNAA Scholarship Committee.

So just write us a simple email to chsnaaoffice@gmail.com. Please send your recommendations by **Monday, May 19**, if possible. If you need more time, just let us know.

Thank you for your assistance. If you have any questions, please email the Alumni office at chsnaaoffice@gmail.com.

Sincerely,

Ursula Allain
